MESSAGE

I am extremely pleased to receive an invitation as a Chief Guest for the inauguration of the event "**BAHRAIN – INDIA WEEK – 2017**", scheduled to be held at Manama, Bahrain in April, 2017.

The "**BAHRAIN – INDIA WEEK – 2017**" is expected to provide an excellent opportunity and a platform for the Indian brand products to get introduced to the global market. I am told that this event will be visited by more than 10,000 visitors from the Gulf region.

It would be a pleasure to be the part of the event which would boost economic and cultural ties of both the countries. I congratulate the organizers of this event and convey my best wishes for the grand success of "**BAHRAIN – INDIA WEEK – 2017**" and all such future endeavours.
